

### Third Annual CoastBusters Walk for Breast Cancer Helping Survivors Survive and Warriors Win!

CoastBusters Walk for Breast Cancer is the outcome of two local ladies' desire to inspire hope for other women and their families struggling with breast cancer. Recent breast cancer survivors themselves, Jeanette Campagna and Sonia Graham decided to make a difference in the lives of women and others in their own community battling breast cancer and to give back to the community and medical teams that supported them. They adopted the motto that something good can certainly come from something bad.

The third annual CoastBusters Walk is a 3 mile walk that will be held on the track at Newport High School, rain or shine, on Saturday, September 30, 2023, to kick off Breast Cancer Awareness Month in October. Proceeds raised from the event will stay local and benefit Pacific Communities Health District Foundation Women's Cancer Fund. This Foundation provides a wide array of support that aids breast cancer patients with many facets of their cancer treatment. It's an opportunity to proudly raise awareness in the community and offer hope, strength, and courage to all women who have been affected by breast cancer.

Registration fee includes a CoastBusters Walk t-shirt, pink ribbon pin, swag bag, event festivities, and the power in knowing that women and their families fighting breast cancer will benefit significantly.

- \$25 Early Registration (Through August 31, 2023; guarantees t-shirt, pink ribbon pin, and swag bag)
- \$35 General Registration (September 1 – 24, 2023)
- \$45 Onsite Registration (September 30, 2023)

We invite you to be part of the CoastBusters family as an event sponsor. Sponsorship benefits include great marketing opportunities for your business and more than that - it demonstrates your support for the cause and lets the community know we're all in this fight together, to raise vital funds for breast cancer awareness, treatment, and cure!

*Sponsorship Deadline: September 1, 2023*

CoastBusters filed for its nonprofit tax-exempt status with the IRS. This process may take six to nine months to complete. CoastBusters, acting in a responsible fiduciary manner, is allowed to accept any and all donations/sponsorship payments. CoastBusters can acknowledge all donations/sponsorship payments, however receipts cannot be issued for donations/sponsorship payments until the official nonprofit status has been granted through the IRS. If a tax receipt is required, please make your check payable to either Pacific Communities Health District Foundation Women’s Cancer Fund (PCHDF) for the Newport event or Oregon Cancer Foundation for the Florence event and mail your check to CoastBusters. It’s always recommended that you consult your tax advisor about donations/sponsorships and any tax deductibility benefit.
